Docks, Floaties & Towables

FLOATING FUN

TRUSTY TOWABLES

Summer is fleeting so quality shouldn't be. The Solstice single and double rider towables are the optimum fun and reliable summer choice. Constructed of heavy-duty vinyl for durability and quick connect adapter for your tow rope. They are summer's strong go-to towable.

INCREDIBLE INFLATABLES

The best thing about inflatables is the floating fun. The worst thing is when they spring a leak just looking at them. We carry Solstice inflatables for their durable vinyl construction. Because we know fun should last long into the summer. Ideal for marine and pool use.

EASY & DURABLE DOCKS

Solstice docks comfortably support standing adults, with their super-rigid drop stitch construction, stainless steel D-ring tie downs, and reinforced grab handles. Docks are fun. Durability means fun keeps happening.
